THE PACKAGING — AS ICONIC AS THE WOMAN INSIDE

Presented in a structured, suitcase-style gift box finished in deep crimson with gold-foil GBM monogram embossing, the Bridal Cover Set arrives ready to gift — no wrapping required. The hand-stitched leather carry handle adds a couture touch, while the magnetic closure and branded tissue paper lining ensure every unboxing feels like an occasion in itself.

HOW TO BUILD THE PERFECT BRIDAL LOOK

STEP 1 — PREP & PRIME

Begin with Micellar Water to cleanse and balance the skin. A smooth, oil-free base is the secret to all-day makeup longevity on the wedding day.

STEP 2 — FOUNDATION & CONCEALER

Apply Foundation in circular motions for a seamless, second-skin finish. Tap Concealer beneath the eyes and over any areas needing extra coverage — blend with your ring finger for warmth.

STEP 3 — EYES THAT CAPTIVATE

Define the brows with the Eyebrow Definer. Sweep Gel Fixer Eyeshadow across the lid for effortless, crease-proof colour. Line the lash line with Eyeliner and finish with two coats of Mascara for a gaze no one will forget.

STEP 4 — SCULPT & GLOW

Dust Loose Blush Powder onto the apples of the cheeks and blend upward. A light press of Setting Powder locks everything in place without dulling the skin's natural luminosity.

STEP 5 — THE PERFECT LIP

Line and define with Lip Liner, fill in with Lip Color in your chosen shade, then press a touch of Lip Gloss to the centre for a full, dimensional bridal pout.

STEP 6 — SET & SEAL

Hold Setting Spray 30 cm from the face and mist in a slow figure-8 motion. Allow to dry naturally. Your look is now locked, transfer-proof, and ready to last from ceremony to the last dance of the night.
